- RTM PPSU fittings, d 16, 20, 25 mm

placed on the market by the company

**Uponor GmbH**

**Industriestr. 56, D-97437 Hassfurt, Germany**

**having company's registration number: DE133899039**

from the site of manufacture

**Uponor GmbH**

**Industriestr. 56, D-97437 Hassfurt, Germany**

it has reviewed the documents submitted by the applicant, carried out the initial type testing on a sample and assessed the factory production control. The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the GO 163, which are specified by technical standards **CSN EN ISO 21003-2, CSN EN ISO 21003-5**.

Further, the Authorized Body No. 224 ascertained that the factory production control complies with the submitted technical documentation and ensures that the products placed on the market fulfil the requirements laid down by the above mentioned norms and by the technical documentation pursuant to Section 4, Subsection 3 of the GO 163, as amended.

This Certificate was issued on the basis the Certification Report No. **793501939/B//2021** dated 2021-06-30 containing conclusions of the assessment, the test results obtained and basic description of the product, as necessary for its identification.

*This Certificate remains valid as long as the requirements laid down in the technical documentation and/or norms in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.*

*The Authorized Body No. 224 performs at least once per year a surveillance of the factory production control, takes samples of the product and by the way of testing if finds out, if the product properties comply with the requirements of the norms according to the Section 5, Subsection 4 of the mentioned Government Order. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.*
